## Fall Registration

The Columbus Academy for Lifelong Learning (CALL) will hold its Fall 2016 membership and class registration meeting on **Wednesday, September 14, 1:30 PM**. The meeting will be held at the Elizabeth Bradley Turner Center for Continuing Education, Columbus State University. Come and meet the class facilitators and hear their plans for the new, exciting classes. (Social time from 1:30 to 2:00; meeting starts promptly at 2:00. Refreshments will be served.)

Please consider bringing a friend who could be a prospective member of CALL. Most of our new members join because they were asked by a friend. Also, members may bring a friend to one class; after one class, membership is required.

Members attending the general meeting may register for Fall Quarter classes. This is the only opportunity you will have this class year to purchase an annual membership.

You may use the membership/registration form in this newsletter to register for classes, and either bring it with you or mail it with your membership fee to the address listed on the back. Registration forms must be received by September 19 to have your name on the attendance sheet.
