Bits & Pieces

Check your calendars! The date for the Social changed because we know that so many of our membership will be attending the CSU show **Kaleidoscope on 2/22!** It's a bit early this year, we know, but that is the date. The **Social is now 2/29** from **5-8pm** at the Unitarian Universalist Church, 8827 Heiferhorn Way. Make that change on your calendar and plan to attend!

Please remember that CALL runs on the power of VOLUNTEERS! So often we don't get to know the interests, the skills, the knowledge our members bring with them to our organization. ***We want people to be involved in a variety of ways, whether it is working on a committee or facilitating a class.*** You do NOT have to be an expert in a particular field. We have DVD Great Course. You could use those alone, use them with how you want to personalize a class or you could do original presentations! You can even team up with someone to facilitate

a class. We need people to get involved with making these decisions based on what their interests are! Talk to **Les Dean** about what you can do. (He will be happy to explain what would be involved)

This is the FINAL year for the Trivia Bee, which has been a wonderful event for the Literacy Alliance. CALL teams have shown themselves to be trivia masters the past several years! The cheerleaders for the teams have proven to be fun, loud, and super supportive! Whether you are part of a trivia team or one of the audience/cheerleaders, you will have a FABULOUS evening!

Time to retire our Bee!

Join us as we send him off with the

15th and final Trivia Bee
