

Twenty five years!!

CALL is celebrating 25 years of existence! Many of us have benefited from what some wonderful people did to form Columbus Academy for LifeLong Learning. Friendships, learning, games, socials, travel are all part of what we have enjoyed as a result of coming together! Take time to let people who have helped it grow over the years know how much you enjoy it!

Ruth Kiralfy and Gerda Smith, two of our charter members

Hear the call — Get involved!

- * We have some wonderful activities for everyone to join in on and the chairmen work very hard to put these together for us! If you have ideas, please talk to a board member or better yet, a committee chairman. Get involved!! Committees always need people to help too!

- * **Be sure that you RSVP for birthday lunches so Lee Vinson knows what to tell the restaurant. It doesn't have to be your birthday to attend!**
- * **If you cannot attend an outing, please let the chair know as there may be a waiting list!**

- ⇒ Don't audit life. Show up and make the most of it now.
- ⇒ Growing old beats the alternative of dying young.
- ⇒ Your children get only one childhood.
- ⇒ All that truly matters in the end is that you loved.
- ⇒ Get outside every day. Miracles are waiting everywhere.
- ⇒ If we all threw our problems in a pile and saw everyone else's, we'd grab ours back.
- ⇒ Envy is a waste of time. Accept what you already have, not what you need
- ⇒ The best is yet to come...
- ⇒ No matter how you feel, get up, dress up and show up.
