### Sharon Kuechenmeister (Co-Chair) Curriculum

I was born into a family of 8 children and two hardworking parents - both of them paying attention to the larger world as they raised us to work hard on the small farm in Minnesota. I have a Master's degree from the University of Minnesota. My career in Nursing was varied: Medical-Surgical, Public Health, Psychiatric-Mental Health, Critical Care-Coronary Care as well as Program development and Education.

I am married to Les Tatarek - our Marriage having been conducted and blessed by CALL's very own Rick Dukes. No, Les and I did not meet at CALL - we went to our High School Senior Prom together and led the Grand March. He was Captain of the baseball team and I was Class President. We were so cute then!

My son Jeff, lives with his wife and children in Harris County. Les has 3 children who live in the Chicago area - also 3 grandchildren.

I started in CALL in the Winter of 2017 and even remember a "Zoom" class from the Covid 19 shutdown! Things are much better now and I recommend CALL to many people I meet.

The beginning classes of Fall Quarter 2023 are completed and what a great audience you are! This is a good time to remind you to carry a warm jacket or wrap if you attend our classes in the Auditorium - it is always cooler in there for any season.

The Curriculum Committee is already at work planning the Winter Quarter 2024 offerings and we appreciate your feedback and suggestions. You, the members of CALL, are the people who keep our activities and classes vibrant and relevant. Plan on having an interesting and meaningful experience this Autumn 2023 at CALL. ~ Sharon Kuechenmeister
